

Movin' On!

Exercise & Movement Program for Breast Cancer Survivors

A specially designed program of **gentle exercise** for breast cancer survivors of **all ages** and at **any stage** of treatment and survivorship, promoting a **safe return to physical activity and wellness** through education, appropriate healthy exercise and emotional support.

Participants can expect **improved range of motion, energy levels and self image** upon completion of the six week course. They will receive education on **safe activity levels** and the risks, signs and **symptoms of lymphedema**.
